What is an Endowment Fund?

It's a fund where the original gift...

- ▶ *Is invested to grow over time,*
- ▶ *With only the set distribution allowance spent from the fund annually,*
- ▶ *So the fund will exist to support the organization forever... and ever.*

Year One

A fund is established with a **\$500,000** and makes a **\$20,000** payout a year later.

Initial gift grows & pays out a board-approved spending allowance each year.

15 Years Later

The fund made **\$345,868** in cumulative payouts, and has a **\$672,934** endowed fund balance.

Original balance is growing & payouts are being distributed. The impact has **doubled!**

30 Years* Later

The fund made **\$811,361** in cumulative payouts, and has a **\$905,681** endowed fund balance.

Original balance & payouts distributed continue to grow. **The impact is nearly 3 times the size of the original gift.**

*Projections assume annual return of 7%, supporting fees of 1.00% and an annual distribution rate of 4.0%.

Long-Term Impact

We believe every kid has what it takes. The mission and core beliefs of Boys & Girls Clubs fuel our commitment to promoting safe, positive, and inclusive environments for all. Today's youth face enormous challenges that threaten their bright futures, including poverty, obesity, and the high school dropout crisis. Kids and teens are our country's most precious resource, and we can't afford to let any fall through the cracks. Through our youth development programs and services, we work to change the lives of local kids and teens. Our goal is to instill in them a sense of competence, usefulness, belonging, and influence.
